As the Zero Labels 2 Landfill Certificate is self-declared and voluntary, it may not be construed by any means as an approval or endorsement by BPIF Labels of compliance with the Zero 2 Landfill Project or with any applicable requirements, including the safety requirement, of labels manufactured by companies using the seal.

The publication by BPIF Labels of the list of self-declared compliant companies using the seal is not either to be construed as an approval or endorsement by BPIF Labels. The decision to use the seal is made by each individual company under its sole responsibility, having due regard to the Zero Labels 2 Landfill project and the applicable legislation.
